SALOMON

FW 22/23

Our history begins in a small workshop, with a family dedicated to honing the craft of tuning unassuming pieces of metal, into perfectly gripping ski edges. Edges whose sharpness shaped skiing culture for the past three quarters of a century. As the years went by...

Our vision challenged conventional ski norms. Our gear always adapting to meet the needs of a constantly evolving sport. We got bigger, and sharp edges are now only part of our expertise. We took risks on and off the slopes. Often, we won. Yet, sometimes we failed. What is failure but an opportunity to learn?

Hand in hand, on the snow, we learn from the best. From those who dedicate their lives to perfecting their skiing. Our family is now made of inventors, designers, engineers, World Champions, mountain lovers, ski veterans and new recruits. With their help, we continuously shape new trends. Every year our products get more sophisticated, but our standards never change. In our world, performance is a way of life and excellence is our norm. We are limit pushers and progress seekers.

WE ARE THE SALOMON FAMILY, AND WE HAVE BEEN PROUDLY TRANSFORMING SKIING SINCE 1947.

NEW BLADE TECHNOLOGY

UNCOMPROMISED SPEED IN TRANSITIONS

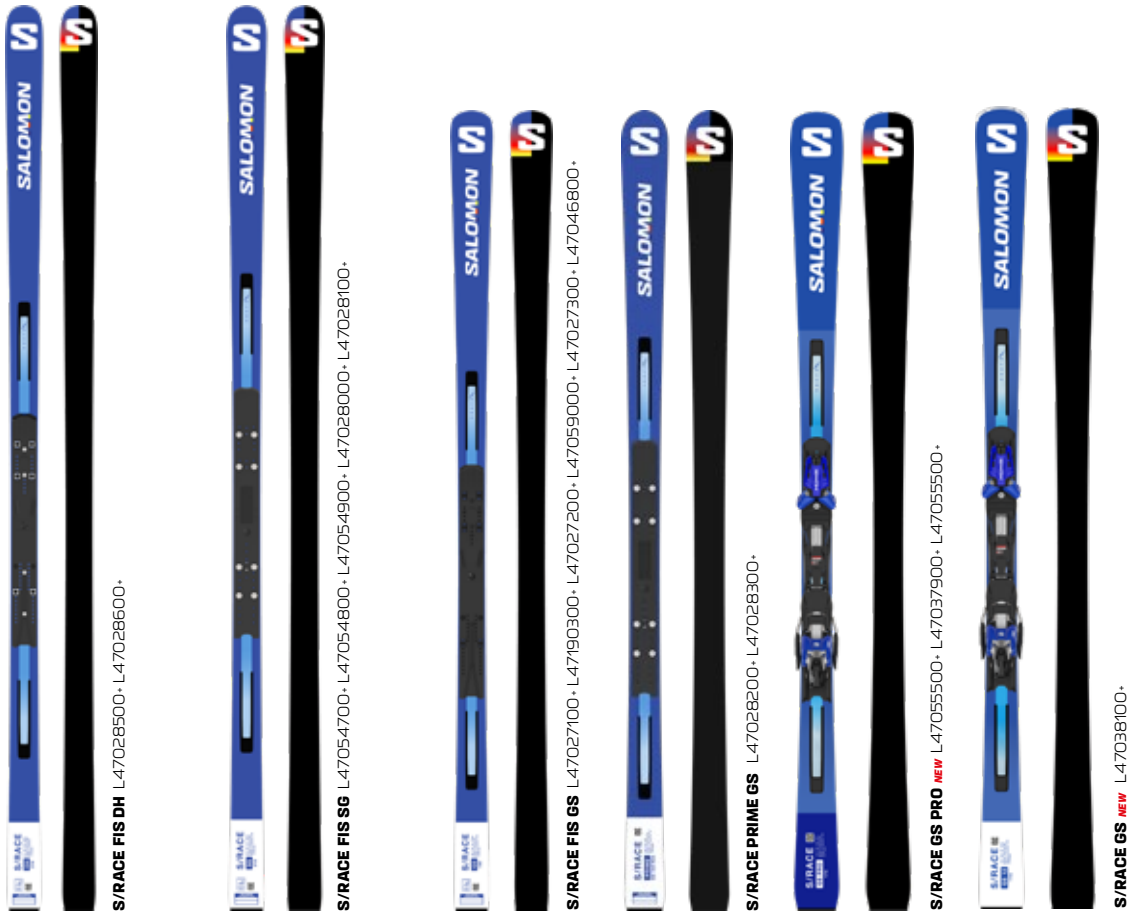

Salomon's Blade technology fuses flexible polymer inserts into the TI layer, preserving the ski's stiffness yet adding the liveliness needed for high speed through the turn.

NEW ICON BINDING

THE NEW ICON BINDING IS THE WINNING CHOICE OF SALOMON'S WORLD CUP RACERS.

The new ICON binding is the winning choice of Salomon's World Cup racers. Engineered to handle even the most challenging turns, it features a redesigned toe piece that centralizes your power transmission. Channeling up to 30% more power underfoot, it simultaneously release up to 15% of pressure from the tip and tail, giving you a livelier turn.

100% MADE IN EUROPE

With 80% of its components developed and built in France, 20% in Germany and Italy, this binding is entirely crafted in Europe reaching highest level of quality standards.

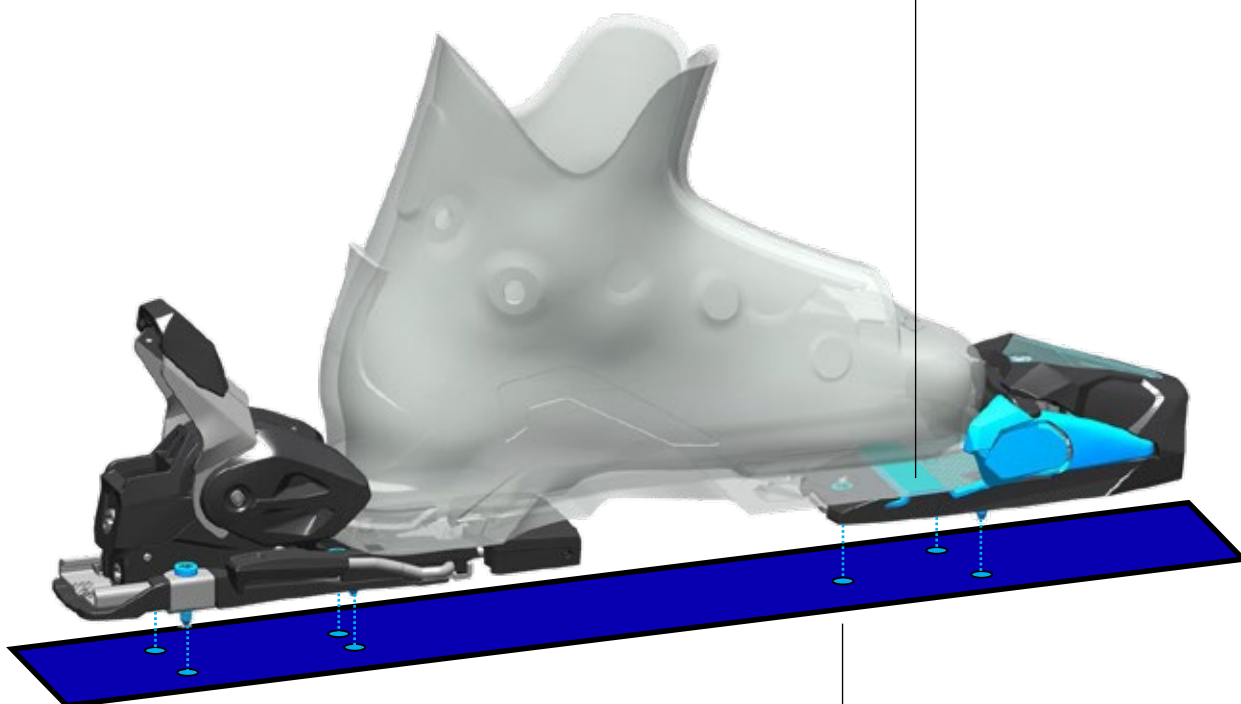

WORLD CUP BINDING

Experience the feeling of WC racer with this binding.

VERTICAL ELASTICITY

The redesigned toe piece provides less vertical rigidity, so you can experience more powerful rebound at the end of each turn.

CENTRALIZED POWER TRANSFER

The new centralized power transfer construction brings the screws closer to the bottom of your feet, so you can experience unprecedented power transmission at high speed.

NEW RACE² BOOTS

THE UNCOMPROMISED FIT & PERFORMANCE RACERS NEED AT THEIR FEET.

Engineered in collaboration with Salomon's racing team, the new S/RACE² 140 WC is designed to increase skier's competitive edge through every phase of every turn. This ski boot's race construction and World Cup liner will provide you with the lightness and precision needed to charge through the gates with extreme control and confidence.

POWER TRANSMISSION

This boot's Race construction uses a thinner walled sensitive shell to improve your terrain feedback and deliver more direct power transmission to the edges.

PERFECT FIT

Salomon's renowned fit is now complemented by a World Cup Liner to give you a perfectly fitting racing boot.

FULLY SERVICEABLE

Fully dismantlable for ease of service, this boot's upper and lower shells are easy to customize while the cantable Oversized Pivot lets you fine-tune your stance precisely.

* no tolerance * -5cm tolerance

For masters athletes the ski length is a recommendation (except SG)!

No restrictions regarding length, width and radius for women above 55 and men above 65!

The FIS recommendations and rules for ski length, radius and profile width can be found in the current FIS Specifications for Competition Equipment!
